

Gaylord Minstrels To Appear Here

The Crawford County March of Dimes, nearing its committee established goal of funds, has announced that thru the co-operation of the Osego County March of Dimes, the Gaylord Polo Minstrel show will present a variety show program at Grayling, Feb. 7th. Arrangements are not complete at this time, but under the chairmanship of Mr. Robert Boeve, the show is expected to substantially increase the county Polo treasury, even though the entertainment is set for after the official closing date of the March of Dimes.

The last ten days of January will have passed with a whirl of March of Dimes activity. Last Friday and Saturday evening, through the co-operation of the Alto Theatre, the Boys of the Grayling Boy Scout and Cub units canvassed the movie crowd in connection with the trailer which had been projected all week. On Sunday evening the St. Mary's Altar Society sponsored at their hall a March of Dimes social evening. Monday evening through the National Foundation for Infantile Paralysis, an interesting Physical Therapy movie was shown at the regular Kiwanis meeting by Mr. Joe Stripes. The title of the "Pathie" production was "Accent on Use". The same film, which pictured much of the rebuilding work that is required for polio patients, was also shown at the school during the week. Tuesday evening all of the restaurants in and near Grayling sponsored a March of Dimes Dinner under the slogan, "Eat that others may walk." Last evening the PTA sponsored a movie-lecture at the school by Mr. Roy Brigrum, the Physical Therapist from Munson Hospital at Traverse City. Also on the program in behalf of the March of Dimes, were Julie Hunter, Linda Failing and Mark Peterson, Grayling-Polio patients in 1951 and Judy Munroe, now a patient at Traverse City from the 1952 epidemic.

Tonight is the biggest individual fund raising venture, the Mothers of Crawford County, some 70 strong, will canvass house to house from 7:30 to 9:30 in the annual Porch Light Night campaign. Also, during this entire week, individual businesses, groups and employee groups are being asked to contribute to put Crawford County in No. 1 spot in Michigan for per capita contribution to the March of Dimes.

Sunday, had been declared a day of rest for all March of Dimes workers in the county by Chairman John H. Peterson. The chairman has suggested that the people of our county might well take time Sunday to thank the almighty for the charity of the American People and for the presence of such humane institutions as the National Foundation for Infantile Paralysis.

Kalkaska Dumps Vikings Hopes For Conference Championship

Little Vikings Win Last Minute Thriller

Kalkaska defeated the Grayling High Vikings 49 to 46 in a bitterly contested basketball game at the Grayling Gym last Friday night.

The visitors managed to eke out a slim one-point lead 13 to 12 at the end of the first quarter and pushed it to a 28 to 23 advantage by half time.

The Vikings came back with a bang after halftime and outscored the visitors 15 to 6 in the third quarter to take back the lead 38 to 34. Grayling faded in the final quarter, however, as Kalkaska managed to dump in 15 points while holding the Vikings to 8.

Jim Burch led the Viking scoring with 20 points with Marvin Bieski and Bob Barnett adding 8 each. Red Hamilton and Allen Goodstead each scored 4 while Larry Bond adding 2. Sam Lewis with 17 and Chuck DuCap with 14 led victors.

Grayling made but 5 out of 13 free throws while the visitors clicked on 10 out of 22. The Grayling reserve team won a last minute one point thriller over the Kalkaska second team, 50 to 49. The Kalkaska team had plenty of

height-over the Grayling reserves but the little Vikings would not give up although they were far behind at the outset of the game. The Vikings were to play two games this week, both away from home. Tuesday night they were to travel to Fairview and on Friday night are slated to meet the Roscommon Bucks at Roscommon in a conference game.

Mrs. Maude Menne Wed to George L. Hall

A wedding in the "golden years" was celebrated quietly at 1 o'clock Saturday afternoon, January 17, when Maude Pannel Menne and George L. Hall of Battle Creek both 64 years of age exchanged marriage vows in the parsonage of the First Evangelical United Brethren Church. The Rev. J. W. Hill was the officiating clergyman.

The couple were attended by Bryan Hall, a nephew of the groom, and Miss Helen Glasser, and after the ceremony the party of four went to Kiskadee restaurant for a wedding luncheon. For the occasion the new Mrs. Hall wore a pale beige suit dress and her only ornament was a jeweled ruby brooch, the gift of the groom. Mr. and Mrs. Hall will continue to live in Battle Creek where he has been a lifelong resident and is still engaged in the building and contracting business. Mrs. Hall moved to Battle Creek in 1942 from Grayling, where her one grand child and three great-grandchildren still reside.

Grayling Man Offered Government Position

Rev. R. C. Puffer, unsuccessful candidate for United States Congressman from the Tenth District of Michigan on the Republican ticket in the primary election received two offers of a position in the new administration of President Dwight D. Eisenhower.

One letter to Rev. Puffer was from Sherman Adams, assistant to the President and the other from the assistant Secretary of State John Foster Dulles. At this time, Rev. Puffer stated that he did not believe that he would avail himself of either offer.

Michelson Memorial Church School

Things looked considerably brighter around the church school office Sunday. Probably because of the new light that has been installed over the formerly very dimly-lighted desk. Attendance records looked pretty good too, with five classes on the honor roll.

These were the First, Fourth, Sixth, Seventh and Eighth grades. Mrs. Wm. Kinkert taught for Mrs. Phil Smith, Miss Margaret Moore for Mrs. R. A. Mosher, and Mrs. R. C. Puffer for Mrs. Ted Wheeler. Linda Knibbs, Roger Olson and Irene Horning celebrated birthdays, and the list of visitors included Miss Mary Ann Schumacher of Detroit and Miss Norma Bastain of Muskegon. The Rev. Mr. R. C. Puffer brought a special message to the Senior Department. Mr. and Mrs. Puffer have again been called away by the serious illness of his mother.

The Senior Youth Fellowship was scheduled to meet for a potluck supper at the parsonage on Thursday evening. In the event of the Puffers' continued absence the supper meeting will be held in the church dining room.

The W. S. C. S. wishes to call attention through this column to the Bible study class beginning Monday, February 2, titled "Toward a Better Understanding of the Bible," the class will meet in the church at 7:00 P. M. and will be conducted by Mr. Puffer.

A Sub-District Teacher Training Institute will be held at Indian River February 9, 11 and 12, and the regular staff meeting of the church school will be held in the church on Tuesday evening, February 10.

John Braun and Col. Roy Sindling spent a few days in Lansing the first of the week.

Camp Lehman Learns Healthier Living

"Statistics reveal that a child today is more likely to become an alcoholic than he is to catch either Tuberculosis or Polio," stated Elder L. W. Hyde at Camp Lehman Sunday night, January 25 in a program sponsored by the people designed to show how to live healthier, happier, longer and wealthier by refraining from the use of alcoholic beverages and tobacco in any of its various forms. Quotations were given from a number of outstanding doctors such as those at the Mayo Clinic and Johns Hopkins University which pointed out that both alcohol and tobacco affect the heart.

Your Avalanche Is Now Machine Folded

Beginning with last week's edition of the Crawford County Avalanche, the entire issue of the newspaper was folded by machine. For the past 74 years, until last week, every Avalanche that left the office was handled and folded by hand.

Progress finally had its way and the new folding machine was set into the backroom shop just before the first of the year and was put into operation last week. The folder is operating each Wednesday morning and if you are interested you are invited to drop in and see it fold your newspaper.

National Guard Training Dates At Camp Grayling Are Set

The training dates for National Guard units to be at Camp Grayling during this summer have been set. Guard units from Michigan, Indiana and Ohio will train at Camp Grayling this summer in three separate field sessions.

Non-divisional units of the Ohio National Guard will open the camp for the summer field training period on July 5, 1953.

Indiana's 38th "Cyclone" Division with its attached units will train at Camp Grayling and on the field firing ranges in the county from July 26 until August 9.

Michigan's own 46th "Iron Fist" Division will arrive in Camp Grayling on August 15 and will train here through August 29, with the exception of the anti-aircraft artillerymen.

Members of the 300th AAA Gun Bn and the 148th AAA AW Bn will train during the same period as other Michigan Guard units; however the training dates for these units have not as yet been determined.

Two Homes Damaged By Fires

A Grayling home was slightly damaged and a Lovells home entirely destroyed on the interior in two fires late last week.

The home of Mrs. Ella Thomas on the South Side in Grayling was slightly damaged by a chimney fire late last week while the home of the Roy Scouts in Lovells was completely gutted by flames last Saturday morning. The cause of the Scott fire is unknown. The Grayling Fire Department answered both alarms.

Simpson-Murphy Exchange Vows

Mr. and Mrs. Edward K. Murphy are "at home" in Roscommon, Michigan following their marriage on Saturday, January 24th. Mrs. Murphy before her marriage was Joan Lillian Simpson, daughter of Mr. and Mrs. Wilbert Simpson of Grayling. Mr. Murphy is the son of Mr. and Mrs. Francis Murphy of Roscommon.

The marriage vows were spoken at St. Michael's Rectory, Roscommon, at 7 o'clock in the evening. The Rev. Fr. Walter Grill officiated at the single ring ceremony in the presence of immediate members of the family.

Joan wore a winter white dress, navy accessories and a corsage of red roses.

Miss Janet Chappel of Detroit, maid of honor, chose light blue and black accessories and Mrs. Paul Shattuck of Roscommon, matron of honor, was attired in grey with black accessories. Their corsages were of white roses.

William V. Mead, Jr., of Flint was best man.

Mrs. Simpson and Mrs. Murphy each wore navy blue for the wedding.

A reception for the fifty guests was held at the home of the bride's parents following the wedding. Among the refreshments was a lovely four-tiered wedding cake.

Joan is a graduate of Grayling High School and Edward of Genesee High School, Roscommon.

Among those present at the reception were Miss Janet Chappel of Lansing, William Mead of Flint, Miss Nancy Kiely of Midland, Douglas Mead of the U. S. Navy, and Mr. and Mrs. Francis Murphy, Mr. and Mrs. Bernie Ballou, Robert Murphy and the Misses Dorothy Schweigert, Barbara Westfall, Shawlene and Evelyn Cunningham of Roscommon.

March of Dimes Sale Is Postponed

A March of Dimes Sale by the merchants of Grayling of which an advertisement was to run in this week's issue of the Crawford County Avalanche was at least temporarily postponed by the March of Dimes Chairman, John H. Peterson Tuesday morning.

Due to a misunderstanding as to how the sale was to operate Mr. Peterson felt that at least the sale should be postponed until the plan could be ironed out to the satisfaction of all concerned.

Frederic Mom's Fair

On Saturday night, Jan. 31st, at 7:30 P. M. the Moms are holding a fair in the Frederic High School Gym. Aprons, fancy work and baked goods will be on sale. There will be a fish pond, white elephant booth, and fortune telling.

Name Winter Sports Carnival Committees And Chairman

Last Weekend Perfect For Winter Sports

Committees and chairman for the Grayling-Winter Sports Carnival set for February 13, 14 and 15 by General Chairman of the Carnival Carroll Wert.

Jack Wilson was named as chairman of the invitation committee with Mrs. Ella Wilcox and Mrs. Lester Welch as co-chairmen of the Queen's reception committee. They will be assisted by Mrs. Grover Cason, Mrs. William Joseph, Mrs. Joseph Stripes, Mrs. John Peterson, Mrs. B. E. Henig, Mrs. Leonard Knibbs, Mrs. Glen Fenton and Mrs. Thomas Welsh. The publicity committee is composed of Leonard Allison, John Peterson and Robert Strong.

Leslie Hunter is the chairman of the Queen's Ball committee and will be assisted by Charles Piper, Wesley LaGrow, Hurl Deckow, Robert Boyce, Arthur Clough Jr., Lester Welch and Richard Nelson. Roy Trudgeon is chairman of the Queen's Banquet committee. Alfred Sorenson and Dr. J. F. Cook are co-chairmen of the Coronation Ceremony and Program committee. They will be aided by Roy Trudgeon, Louis Stillwagon, Harold MacNeven, Alfred Hanson,

Roy Milnes and Grover Cason. Park Entertainment committee is co-chairmanned by William Joseph and Don Gotro. A special Arrangements Committee is headed by John Peterson while Nels Olson heads the Giftable committee. The Transportation committee is co-chairmanned by Fred Tom and Robert Welsh.

The Queens Ball has been set for Saturday night, February 14 at the Grayling High School Gym from 9 p. m. until 1 a. m. The Coronation Ceremony will take place at the Winter Sports Park on Sunday afternoon at 3 p. m.

A large crowd attended a round and square dance held at the Warming House at the Park Saturday night. It was reported by Chairman Leslie Hunter. No dance is scheduled for this Saturday night due to the Senior 2000 which is taking place at the High School Gym Saturday night. Another dance is planned at the Winter Sports Park for Saturday night, February 7th.

A good sized crowd made use of the large ice and snow playground west of Grayling on Saturday afternoon and all day Sunday. It was an excellent weekend for winter sports with the snow conditions absolutely ideal for skiing. The heavy fall of snow late in the week made the slopes perfect and skating and tobogganing were very good also.

A Winter Sports Committee meeting was held at the park on Sunday afternoon with the committee members inspecting the new ski installations and discussing future plans for adding further ski tows and other facilities to make the park a better place for winter sports enthusiasts.

Mr. and Mrs. Roy Trudgeon left Tuesday morning to accompany Grayling Queen Shirley Kolka to Detroit, where she will appear on television. Arrangements for the telecast were made by Eddie Chase, of Station CKLW. On their way, they stopped in Bay City, where Mr. Trudgeon attended a Winter Sports Council meeting.

A fairly large group of Detroiters stayed in Grayling last week end and enjoyed winter sports at the Park, coming here on a Greyhound tour. About 150 Wayne University students are expected this week end for winter sports. Plans are in progress for a snow-train from Jackson in the near future it was said.

Last Thursday night, Glen Bevan of Lansing, inventor of the huge Snow Queen snowplow and Charles Nau of Hammond, Indiana, who built the plow were guests at a banquet at Shoppington Inn for Queen Shirley, her court and their escorts. Others attending were Father Breitenstein and guests, John Scheike, of Hammond, Indiana, chief engineer for Mr. Nau; and Mr. and Mrs. Roy Trudgeon. Photos of the banquet were taken by Leonard Allison.

Don't forget it is this Friday night for family night at Town Hall. Every one is invited to attend. Potluck supper at 6 o'clock, after which a time will be spent in games. Then Rv. Hazzard will show some interesting screen films. Every one is asked to bring their own service in dishes, also a dish for potluck serving.

Grayling Fire Department was called to Lovells Saturday morning to help extinguish the fire that destroyed the entire interior and contents of Mr. and Mrs. Roy Scott's lovely home. A complete loss to Mr. and Mrs. Scott. We sure are very sorry for this loss to them.

All have been boasting of the lovely weather we have had in January. When Saturday morning the weatherman sort of spoiled the record with a very bad snow storm and some mighty nippy weather. But reports from friends in Florida say it hasn't been too hot even there.

R. L. D. S. Church News

Fifteen members and eight visitors enjoyed a social meeting with Mrs. Tressa Stephan at her home last Thursday. The day was the social program of the Women's Department of the church. A luscious luncheon was served by Mrs. Helen Jensen (chairman) Bea O'Dell, Mollie Olson and Florence Moon. A devotional service led by the leader, Mrs. Lillian Turner gave much food for thought. The program was as follows: Theme "Seek ye first the Kingdom." Call to worship "Our Father in the Kingdom" Leader, Hymn "Take time to be Holy," by all; Invocation, Leader; Scripture Doct and Cov't 6:3, Flora Vandenberg; Reading "First Things First" Yettev Szkotnicki; Poem "A Day with the Kingdom," Mrs. Velma Deckrow; Solo "Seek ye First the Kingdom," Tressa Stephan; Roll call "Answered with a Bible verse," Lesson. Ten answered questions from The Women's handbook; Closing Hymn, "Pass me Not O Gentle Savior," Collection received was for the Polio benefit. Benediction, Leta Bab-bitt; The day's thought was — "Knowledge Without Goodness is Dangerous," goodness without knowledge is useless.

The bad storm and road condition kept many away from church last Sunday. We missed you all. Next Sunday is Communion, we hope to have the full membership and others that wish to share our fellowship with us. Merdene Brush will receive her confirmation at this Sunday's worship.

Dan Babbitt gave the sermon last Sunday. His theme was "Kingdom Building, versus Stewardship." Joseph Engmark of Gaylord was the speaker for the evening. He gave us the many following good citizenship qualities our young lads in scouting can and may receive through the Scout program of America.

Some Changes Now

Everybody realizes that important changes in the conduct of the government will begin to take place as soon as President Eisenhower moves into the White House. But it's probably true that a relatively small proportion of the American people realize just how sweeping those changes are likely to be. Here, in capsule form is what will probably happen, based on Eisenhower's appointment, on statements made by him and close advisors, and on the opinions of people whose business it is to weigh and assess and forecast the course of events in Washington.

Executive Office. As U. S. News & World Report put it, Eisenhower "will reorganize the Executive Office of the President from top to bottom." This will be one of the first and most significant acts of his new regime. When F. D. Roosevelt moved in, there were just 95 people employed by the office, including servants. Now there are close to 1,200. Eisenhower objectives will be a thorough streamlining job, more efficiency, less confusion and conflict within his personal establishment. Governor Adams, whose role will be that of a chief of staff, will be the co-ordinator and he will have broad authority. In essence, the new set-up will be on military lines.

Department of Defense. It is a well known fact that Eisenhower believes there has been much waste here, that often we haven't received a dollar's worth of result for each dollar spent. Secretary Wilson, who left one of the highest paid positions in industry for his new job, will follow a firm line with the military people. Frills will be cut out, duplication of effort within and between the services eliminated. Maximum defense for minimum money will be the goal.

Department of the Interior. A major houseclean-

ing is in the cards. The theorists and social planners will no longer be the big influences. Secretary McKay will emphasize state and local rights, responsibilities and obligations—he is strongly against the "big government" idea that dominated the Roosevelt-Truman regimes, and was particularly marked in Interior. On the policy level, all the faces will be new.

Department of the Treasury. Here too there will be changes all along the line—conservative changes, based largely on the classical economic theories. The debt will be reduced, the tax system re-examined, particularly as it affects the ability of business to expand, and everything possible done to fight further depreciation of the dollar. And here too practical, experienced men will make the policies, and there will be little room for the theorists.

Department of Agriculture. A Wall Street Journal feature article, signed by Angus Deming, had this to say: "A coldly critical scrutiny is in store for the government's \$2,000,000,000 farm-price-propping operations. . . . The probable line of attack: Attempt to improve marketing and distribution to such an extent that increased consumption will take care of most surpluses, thus do away with much of the Agriculture Department's expensive price-support activities." The idea will be to solve agriculture's problems through a business-like approach, with less reliance on government and the Treasury.

So it will go, all down the line. President Eisenhower will not be able to accomplish miracles overnight—he is, after all, inheriting the deficits and the governmental structures created by 20 years of Fair Deal-New Deal rule. But the new broom will be put to work at once with instructions to sweep hard and thoroughly.

Practical Nursing Students Complete Practice Period

The following women have completed their practice period of training in the Mercy School of Practical Nursing, at Grayling, and will return to Cadillac for the last two weeks prior to graduation. Those finishing are: Miss Theresa Burzynski, Gaylord; Miss Ruth Kruse, Manistee; and Mrs. Wilma Kauffman of Mio.

A farewell dinner will be given in their honor Tuesday evening, by the Sisters of Mercy.

Four more students have arrived from Cadillac for the eight months practice period to be spent in this hospital. These young women have completed their first thirteen weeks of theory at Cadillac. They are Mrs. Marion Jarvis of Kalkaska, Miss Theresa Wood, Miss Burnadette Umor and Miss Mildred Umor, sisters, all of Grand Rapids. Applications are being accepted at this time for admission in the March class, through Grayling, Manistee, or Cadillac. Any women interested in the course may obtain information from the Mercy Hospitals in these areas.

1953 Chevrolet Advance-Design Trucks deliver more value!

4 powerful reasons why you get more of what you want...

more engine power!

108-h.p. Loadmaster engine—standard on 5000 and 6000 Series heavy-duty and forward-control models, optional on 4000 Series heavy-duty trucks.

more staying power!

Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks.

more braking power!

Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.

more economy!

New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

Michigan

Mirror ...

Michigan's perpetual jitters are not being helped by speculation as to the intentions of the state's number one vote-getter, G. Mennen Williams.

Both parties are on edge, trying to figure out what he has in mind. Will he run for re-election as governor in 1954 or will he turn his hounds loose on the senate chair of Sen. Homer Ferguson?

Ferguson, and his fellow Republicans, are hopping around like a cat on the stove. He is nervous—let's face it.

The Democrats also are on the griddle. If Soapy decides to go for the senate, they will have to groom some strong hopeful for the 1954 gubernatorial campaign. They want to know what the tall man with the cowlick is going to do.

Williams isn't talking—yet. If he runs for a fourth term, he'll be bucking the odds. No governor yet has made it. Only Grosbeck has tried. He lost. Owen Cleary, new secretary of state, has made it clear he considers his job only a stepping stone to better fields. State Treasurer D. Hale Bräke, a consistent vote-getter, is tops in experience and qualifications and may try for the governorship in 1954.

If Williams takes a crack at the senate he'll be risking all the political prestige he has garnered in the last four and one-half years. Should he lose—and there are those who feel he would have trouble in such a race—he would forfeit his gain unless a Democratic administration goes back to Washington in four years. There's no question about it: the governor is looking at the White

House. After knocking off Alger in 1952 he has a right to gaze at Washington.

But it must be remembered that a junior senator—which is what he would be if elected—is assigned to only the minor committees and rarely makes news.

If he runs for a fourth time and is elected he will be making national history. Every voter in the country will know who Soapy Williams is.

Surprise Ending!

That raffle for our Volunteer Fire Department went over fine. We're going to have money to get a new engine—and then some.

Our local merchants really donated some wonderful prizes. Like Buzz Ellis, the radio-TV dealer, giving that big television set ... and the Superior Motors putting up a brand-new car.

There was a humorous note, too. The prize of a year's supply of coal—donated by Baker Coal Yard—was won by Mrs. Thayer, whose husband is the biggest fuel-oil dealer in the county! What did

Mrs. Thayer do with the coal? She gave it to a church she's not even a member of. (Her Church uses her husband's fuel oil.)

From where I sit, that's real generosity. But then, Mrs. Thayer never did believe in dividing people into groups. She's "for everybody"—whatever church they go to, whether they like TV or radio, people who enjoy temperate beer, people who don't. A really warm-hearted person.

Kidneys, liver, lungs, stomach, bloodvessels, blood pressure, eyesight, nerves and brain.

Experiments were conducted which showed how alcohol hardened bread, dissolved oil, and "cooked" an egg white. From these it was pointed out how alcohol in the body hardens the arteries, affects the kidneys, liver and other organs lessening their elasticity and hardening them, and how the fatty layer around the brain cells was dissolved and the brain "cooked". Statistics given showed that 54,000 alcoholics in 1951 had their brains "cooked" and were committed to hospitals for mental diseases.

An experiment was also performed extracting a few of nine different poisons in an cigarette into liquid form. It was pointed out that the liquid poison would kill a cat in 20 minutes. Likewise all the poison from three cigarettes would be a killing dose for a human being. Fortunately for the smoker, only a small amount of the poison is absorbed into his body which is time merely shortens his life instead of killing him immediately.

Statistics presented revealed that an average of twenty gallons of alcoholic beverages were drunk in 1951 for every man, woman, and child for which they spent an average of \$59.80 a piece.

"The average family that drinks or smokes could buy a new home every ten to twelve years with the money they would save if they did not drink or smoke," Mr. L. W. Hyde stated. "Likewise statistics reveal that liquor and tobacco are a major cause of crime and also divorce here in United States."

After two films were shown on alcohol and tobacco, Elder Hyde concluded the program by declaring, "God will hold us accountable for the way we care for our bodies and for the way in which we spend our money. Man's body was made in the image of God, let us endeavor to keep it that way."

Elder L. W. Hyde

WHAT ABOUT OUR DEER?

In the wake of our first "any deer" 3-day season a great deal of public sentiment was aroused protesting the apparent slaughter of an excessive number of animals. The reaction was fully anticipated by the Conservation Department which took a terrific verbal whipping from people and press on the heels of the close of the season.

This writer joined the clamor, believing the discretionary powers granted the Conservation Commission had been misdirected, and that the kill had been far too heavy in areas where winter starvation was not an important factor.

Our judgment was swayed heavily by the fact that we were "on the firing line" at the time, as you may well have been, too. We witnessed what looked like carnage in some areas, and came away with the fear that the herd must surely have suffered such heavy damage that some areas would be a long time rebuilding the deer population to a point where they might once again be a common sight to the delighted tourist.

The Native Viewpoint

We wept with the local populace in the week that followed, and then as the days went by a strange thing happened: A lot of deer began to show in their old haunts in areas where our own eyes had seen the herd "wiped out." Old timers

scratched their chins and wondered if the deer had come out of the ground. Calloused guides did a "double-take" when a fresh snowfall produced a myriad of tracks as the animals moved to and from their feeding grounds. It was a reconsideration.

And this writer joined the diehards who admitted things could be worse. There seemed to be a lot of deer left almost everywhere. They would go into the winter with a better chance of survival, come what may in the way of weather. And this year's fawn crop should be a lot healthier come next spring.

We were guilty of too hasty judgment—and we had lots of company! Now we've joined the "Wait And See" Club, and hope you will, too!

Total Kill of 147,000 Reported

Our Conservation Department estimates the kill of all deer—buck, doe and fawn—at 143,000. This is far below the anticipated 200,000 which they tell us could have been killed without damaging the future of our deer herd.

So the picture looks a little brighter. Come next summer we'll probably see a lot of those bounding white-tailed deer across a field, and will turn to say, "Remember last November when we feared all the deer around here had been killed?" That's the way it will look in Michigan Outdoors.
